Re: Docket Nos. G-01551A-02-0425 & G-01970A-02-0425, D.66101

Dear Mr. Johnson:

On February 24, 2005, Southwest Gas Corporation (Southwest) submitted tariff sheets and additional information in compliance with the Arizona Corporation Commission (Commission) Decision No. 66101, in Docket Nos. G-01551A-02-0425 & G-01970A-02-0425. The decision required Southwest to file for approval to begin offering its Page, Arizona propane customers service options that are available to Southwest's other Arizona natural gas customers, if Southwest did not complete the sale of the Page Division within 18 months of the decision.

Based on the date this matter was submitted to the Commission and the dates of the scheduled Open Meetings in April and May 2005, Southwest hereby waives the "30-day clock" for purposes of allowing Staff sufficient time to analyze the filing and to make appropriate recommendations to the Commission for consideration at its May 24, 2005 Open Meeting.

If you have any questions or require any additional information, please contact me at 702-876-7321.

Respectfully,

Roger C. Montgomery
